Baton Rouge, Louisiana 70804-4275

Re: CIB H2 RA SUA  
Bayou Sorrel Field  
Iberville Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of Masters Resources, L.L.C. for the calling of a public hearing, after ten (10) days' legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the CIB H2 RA SUA, in the BAYOU SORREL FIELD, Iberville Parish, Louisiana, to-wit:

1. To designate the Masters Resources, L.L.C. – CIB H2 RA SUA; Schwing, et al, No. 2 Well, located in Section 33, Township 10 South, Range 11 East, in the BAYOU SORREL FIELD, Iberville Parish, Louisiana, as a substitute unit well.
2. To continue in effect the unit created by Order No. Order No. 374-P, effective May 2, 1989, as the unitized sand was redefined in Order No. 374-P-6, effective December 2, 2003, and all pertinent provisions thereof.

Honorable James H. Welsh  
October 24, 2005  
Page 2

3. To consider such other matters as may be pertinent to the Cibicides Hazzardi 2 Sand, Reservoir A, in the BAYOU SORREL FIELD, Iberville Parish, Louisiana.

The Cibicides Hazzardi 2 Sand, Reservoir A, in the Bayou Sorrel Field, Iberville Parish, Louisiana, was previously defined in Order No. 374-P, effective May 2, 1989, and was redefined in Order No. 374-P-6, effective December 2, 2003.

This will advise that said unit is currently non-productive, since the original unit well has ceased to produce. In the interest of good conservation practices, the Masters Resources, L.L.C. – CIB H2 RA SUA; Schwing, et al, No. 2 Well should be designated to take the place of and become the unit well for the CIB H2 RA SUA. The designation of the well as a substitute unit well is necessary and in the interest of conservation to efficiently and economically drain a portion of the CIB H2 RA SUA which cannot be efficiently and economically drained by any existing well within such unit.

In support of this application, we enclose herewith a plat of the referenced unit showing the location of the original unit well and the proposed substitute unit well for the CIB H2 RA SUA. Also enclosed herewith to the Commissioner of Conservation and District Manager is a list of the names and addresses of the Interested Owners, Represented Parties and Interested Parties to whom a copy of this notice is being sent. A reasonable effort has been made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties. In addition, enclosed herewith is our check payable to the Office of Conservation in the amount of \$755.00, in payment of the required hearing application fee.

Very truly yours,

OTTINGER HEBERT, L.L.C.

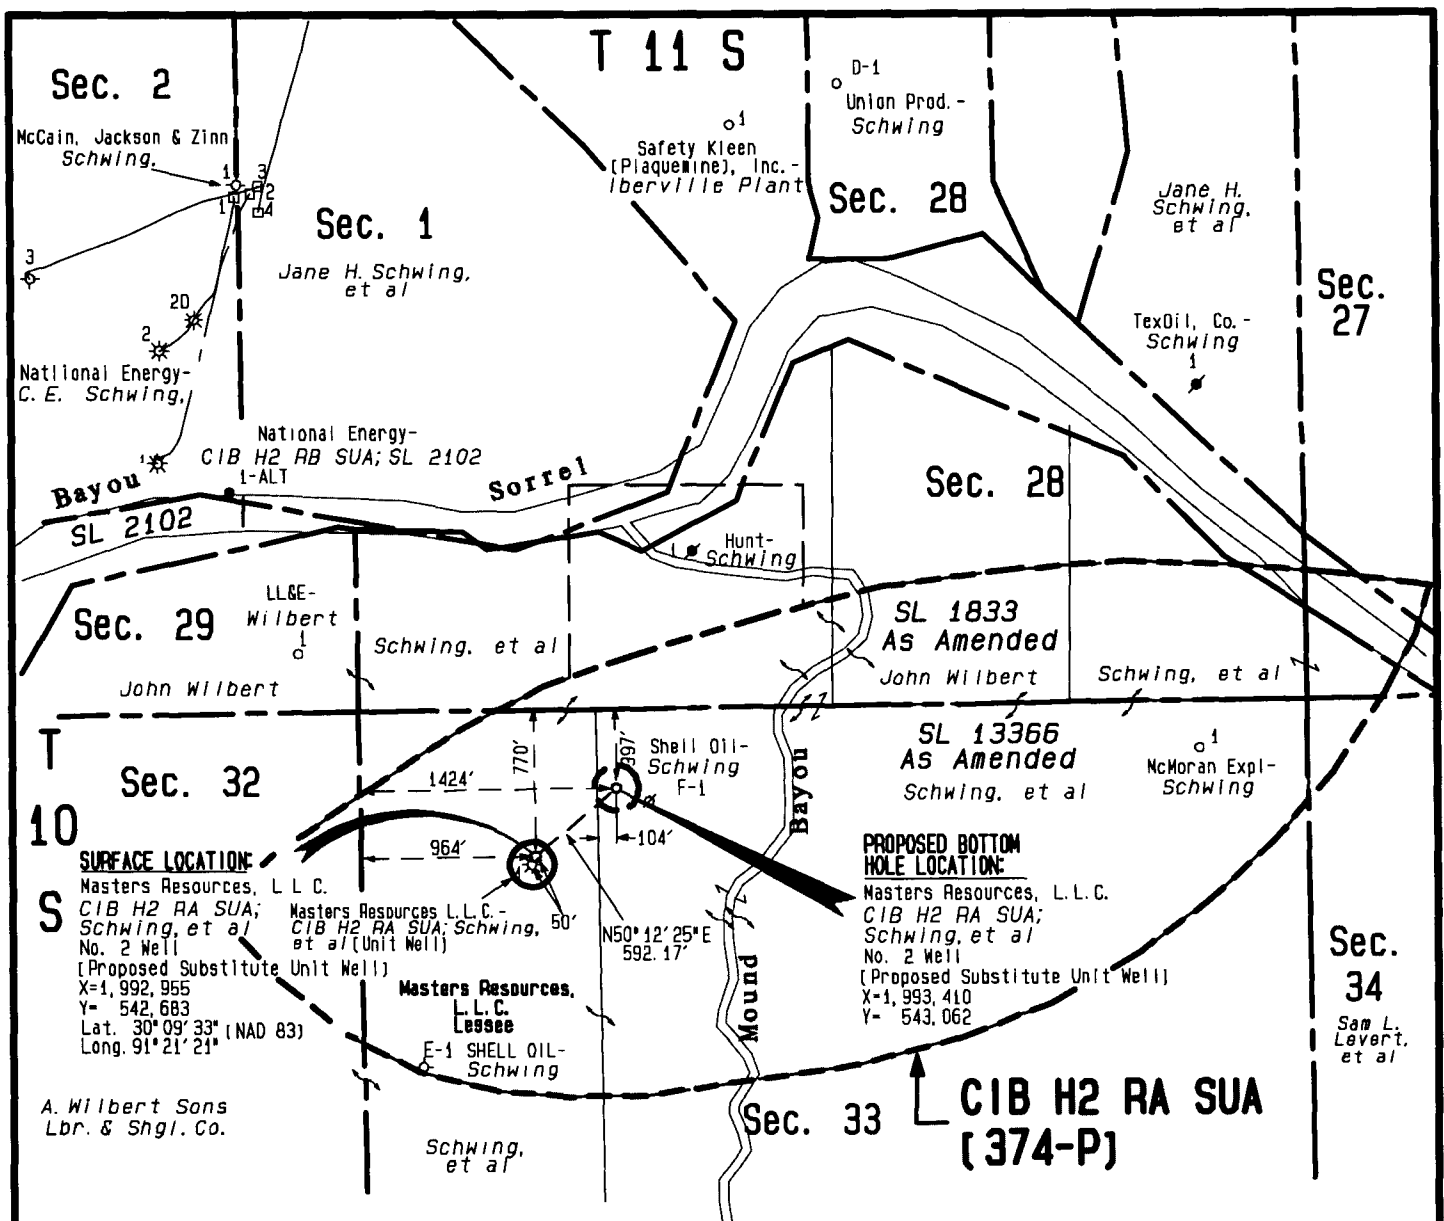

Patrick S. Ottinger
